

TECHNICAL SALES (INTERNAL)

- Based in Tullamarine
- Industry Leading Global Organization
- Industrial Power Electronics & Mechanical Equipment Manufacturer

One of the world's leading power transmission companies, specialising in geared motors and electronic variable speed drives has an exciting opportunity for an internal technical sales person.

Based at our Tullamarine office, your role will be to handle incoming sales enquiries, process and enter orders, and provide quotations.

This role would suit someone with a strong technical sales background in power transmission or electronics, or someone with a trade background who aspires to move in to Sales. Key requirements include being a team player, strong numeracy and literary, mechanical aptitude and commitment to customer service. Knowledge of SAP/R3 would be an advantage.

Initial enquiries can be made by e-mail to jobs@sew-eurodrive.com.au
